ART CATALOGUE

ABOUT H'ART CENTRE

H'art Centre is an award-winning registered not-for-profit, charitable community arts hub that provides artists with disabilities and those facing barriers with opportunities to create, study and produce works in the arts and collaborate with qualified, trained community artists.

LAUNCHED IN 1998, our **H'ART STUDIO** program facilitates artistic skill building and creation-based workshops led by trained, professional local artists and arts educators for adults with developmental disabilities.

This year, H'art artists took part in new textile workshops with artists Isidora Spielmann and Margaret Hughes and a jewelry-making workshop with designer Janet Ross. We postponed the planned art sale and the "Small Things" performance at the Isabel Bader Centre due to COVID-19.

Please enjoy the work now.
